SAMEN DUURZAAM VOEDSEL PRODUCEREN

THE LOCATION

Challenges we beat

- No loans
- Quality not efficiency
- No waste
- No exit for money (big profit)
- Healthy Soil
- Cooperate with Nature
- Respect for the animals
- Helping on the farm is possible, but not necessary
- No subsidies
- Professional environment
- scalable model

How to start

4 Dimensions:

- Our organisation
- Vertical design
- Horizontal design
- Timetable

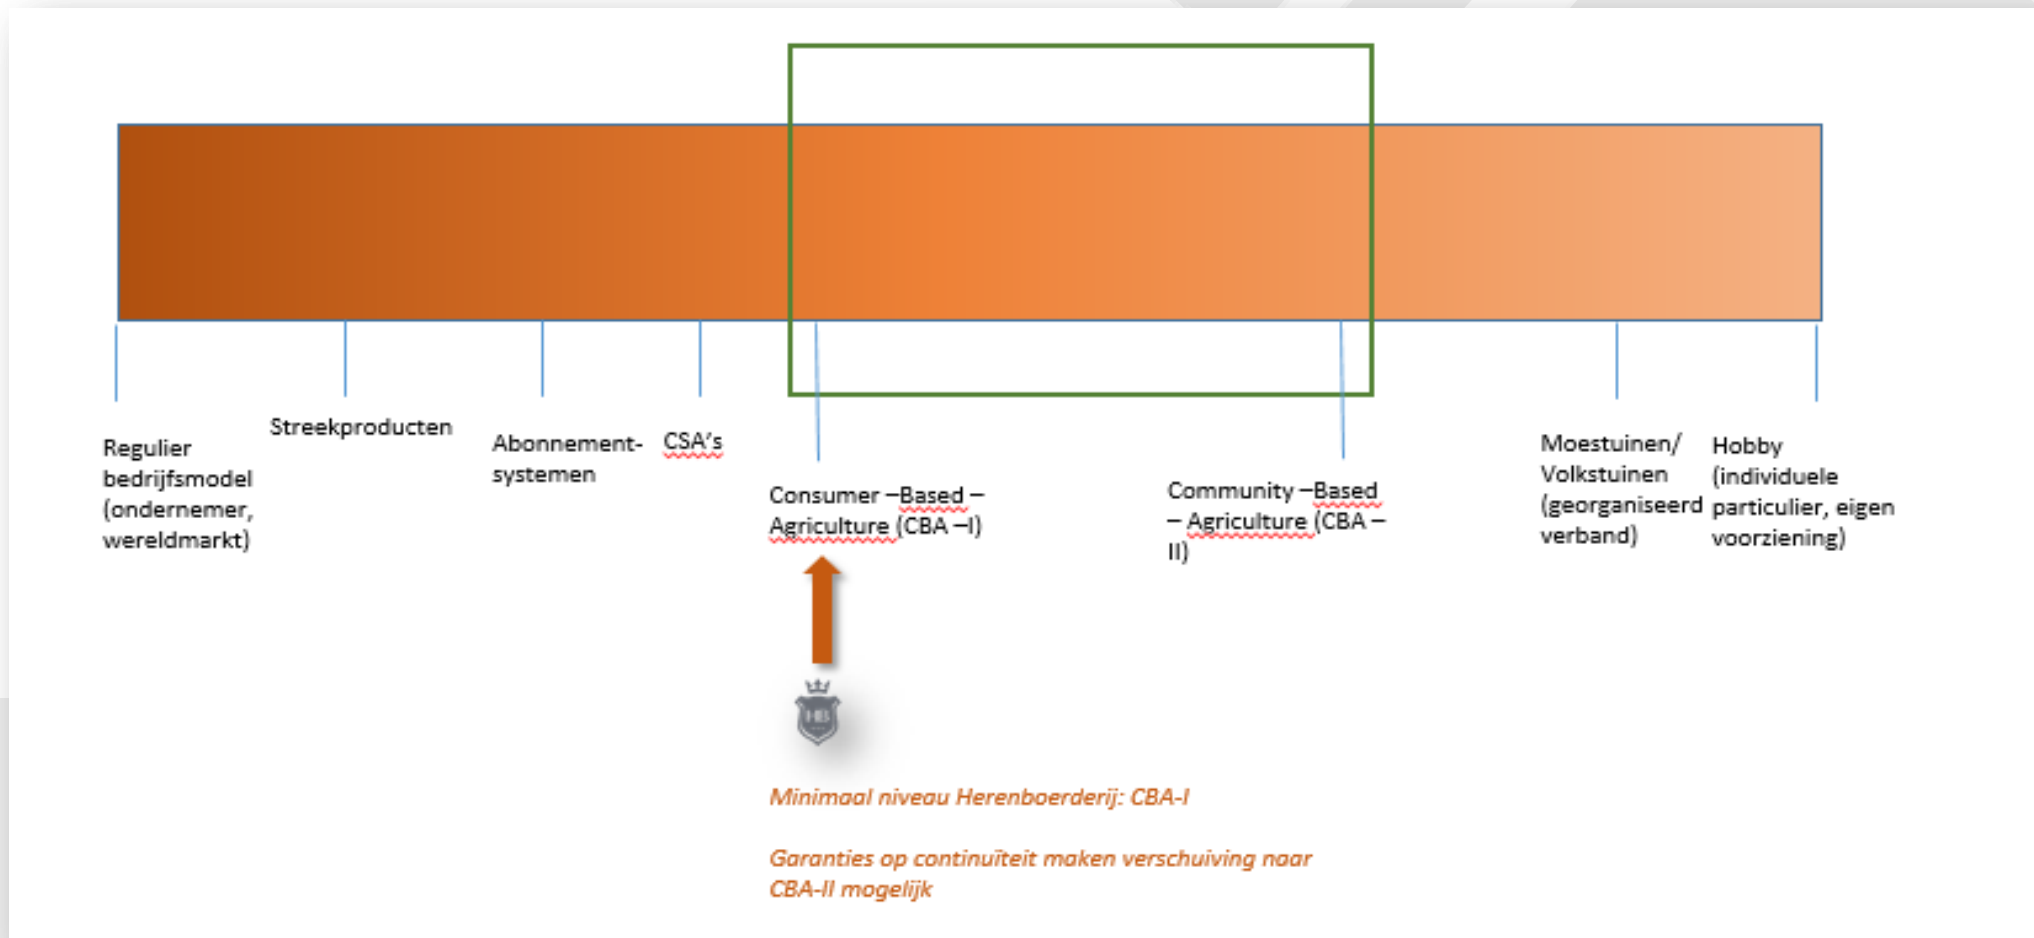

Tasks to manage

- Governance
- Supply chain
- Logistics and distribution
- Price
- Administration

Van Consumer Based naar Community Driven

Tasks to manage

- Soil improvement
- Landscaping
- Buildings
- Nature surroundings
- Colleagues (farmers nearby)
- Quality of air
- Energy
- Water
- Biodiversity

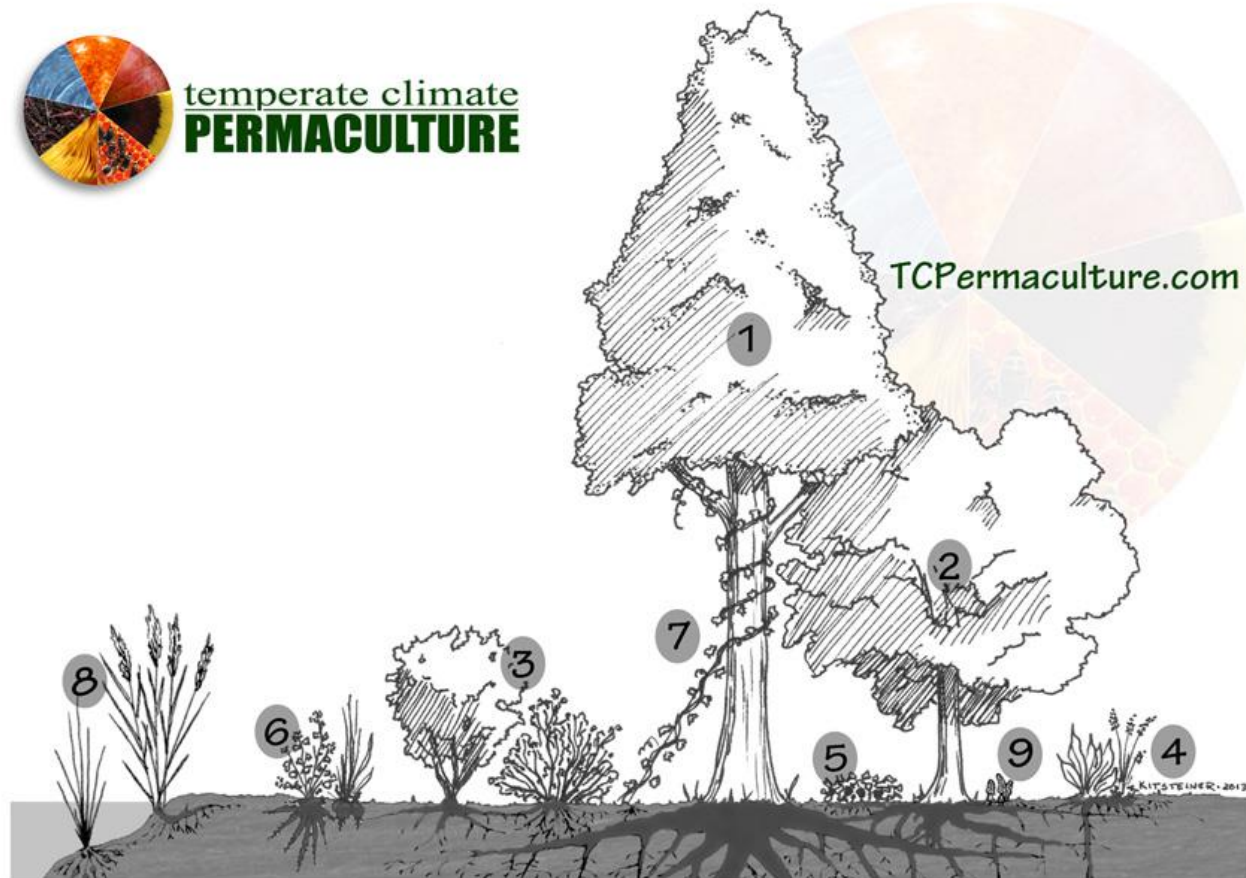

Permaculture

temperate climate
